METHODISTS WIN GAME FROM CATHOLIC TEAM

YALE WINS FROM SPRINGFIELD Y. M. C. A.

Savage's Field Goal Kicked from Forty-three Yard-Line Was Feature.

NEW HAVEN, Conn., Oct. 16.—Yale defeated the Springfield Young Men's Christian Association college here today, 19 to 0. The points came from two touchdowns and the resultant goals, a beautiful field goal by Savage from the forty-three-yard line and a safety. The visitors made many brilliant forward passes, but were unable to gain consistently. Yale was penalized for a total of 135 yards. The lineup and summary:

In a Hard Fought Contest Played on College Field at Buckhannon.

BUCKHANNON, Oct. 16.—West Virginia Wesleyan college defeated the Catholic University of Washington, D. C., by a score of 10 to 0. Wesleyan scored in the first six minutes of play by forcing Catholic to kick, after making first down twice. Blake carried the pig skin back twenty-five yards on the punt. Beck and Shumaker ran the ends for good gains. With the ball on the twenty-three yard line, Singleton carried the ball over a touchdown in three downs. Kellison kicked goal. There was no more scoring until the last few minutes of play when Captain Kellison dropped back to the thirty-three yard line and kicked a goal from placement.

The line plunging of Singleton was the feature of the game. Time after time he tore through the Catholic line for long gains. The defensive work of Captain Kellison Blair, Beck and Shumaker was also very noticeable. Vance was back in the game at right guard and proved to be a strong wall for the Catholic back-field men. Allen's poor passing caused Wesleyan several losses.

For Catholic the offensive work of Rogers was very spectacular and he was a bear on the offensive, in fact, he was the only man to make first down against the Wesleyan's strong line. Murphy and Walters, time after time broke through to the Wesleyan backs and threw them for losses. The game was a fierce battle throughout and the victory was a very creditable one for Wesleyan. The last half was shortened to seven-minute quarters in order to let the visitors catch the train. The attendance was between seven and eight hundred and the yelling of the students was superior to any yelling Wesleyan has ever had.

DAVIS AND ELKINS WINS OVER NORMAL IN A LOOSE GAME

Fairmont Eleven Kept on Defensive in Game, Which Ends 28 to 0.

ELKINS, Oct. 16.—The Davis and Elkins football team defeated the Fairmont state normal eleven, 28 to 0, in a loosely played game here this afternoon. The Fairmont team was kept on the defensive throughout the game. Hamill and Mays, of Davis and Elkins, were the stars of the game. Ridgely, left halfback for the visitors, was injured in the last quarter and Hunt relieved him. The lineup and summary:

COLGATE WINS FROM CADETS

Army Loses in One of Hardest Fought Games Ever Seen in West Point.

WEST POINT, N. Y., Oct. 16.—The Army was defeated today by Colgate by 13 to 0 in one of the hardest fought games ever staged here. Colgate took advantage of poor advantage of poor work by the Cadets and scored both touchdowns. The first score came in the third quarter, when Coffin's punt was blocked by Goode, who fell on the oval on the Army's 15-yard line.

Again the Army tried to stem the tide of defeat, but a pretty forward pass, Anderson to Roberts, resulted in a touchdown. Lineup:

GRIDIRON BATTLE MAY BE STAGED AT FAIRGROUND

Wesleyan May Play Washington and Jefferson Team at That Place.

A month from Saturday Clarksburg will see its biggest football game.

November 13 Washington and Jefferson will come here to meet West Virginia Wesleyan in what is considered as important a contest as was ever staged here. In fact, the only other game ever played here that can be ranked on a par with it is that which took place between the same teams here on the same relative date in 1913. On that occasion Washington and Jefferson, with her exceptionally strong team, won by the score of 35-0, in a game which, though the score indicated was one-sided, was nevertheless one of the most interesting and spectacular ever played in the state of West Virginia.

That year Wesleyan had beaten West Virginia 21-0 and Washington and Jefferson had beaten the same team previously by the score of 35-0, and the "dope" indicated a more even game, but at the same time Washington and Jefferson was the favorite. "Greasy" Neale had been counted on for great things, but Washington and Jefferson watched the big Wesleyan star and he failed to produce. Wesleyan lost the ball at critical times, and Washington and Jefferson played its hardest to run up a score on the West Virginia champions. Spiegel and Fleming cut a niche in the West Virginia hall of fame by sensational work and Stims for Wesleyan was the leading player.

What the game is a matter of conjecture. Many thought Washington and Jefferson would be weak but the showing against Lafayette in beating this strong eastern team 17-0 was better than even its most sanguine supporters hoped for and there is every evidence that the Washington and Jefferson machine is still a dominant force in middle eastern football. Wesleyan on the other hand is reputed to have a better team that it has ever had in its history. Fifty men have been out for practice continuously since the start of the season and it is said by competent critics who have seen its games with St. Francis and Bethany played at home that her offense is the equal of that has ever been exhibited in that line in West Virginia.

Rodgers Plays Quarters and Chenoweth is Shifted to Fullback Position.

THIRTY MEN TAKE PART In the Contest and Geneva Never Had a Chance to Score.

MORGANTOWN, Oct. 16.—Geneva afforded little opposition to the Mountaineers, the latter piling up thirty-three points, while the best the visitors could do was to get the ball ten yards beyond midfield on one occasion. Coach Metzger ran every man out into the game before it was over and the entire third quarter was played by a team of second men. Over thirty men took part and the visitors never looked dangerous. and that her defense is fully as strong as that of last year. This means a great deal, because Wesleyan has always relied on scoring a lot of points and keeping the other team from scoring more. The same system this year will do a lot toward making Wesleyan champions for the fourth time.

There is still some indecision as to whether the game will be played at Union park or at the fair grounds but it is very likely that the contest will be staged at the fair grounds as Union park has been allowed to run down considerably of late. The fair grounds are more easily reached both by autos and street cars and it is thought that an even larger crowd would attend the game played there than if it were played at Union park.

Clarksburg has no other football game of any importance this year and the additional fact that Marshall College and Davis and Elkins will meet as a preliminary to this great attraction will center football interest for the whole state as well as western Pennsylvania on Clarksburg that day.

TWILIGHT GAME OF FOOTBALL IS PLAYED

At Union Park Saturday by Business College Team and Northview Tigers.

Twilight baseball has long since been in fashion but the first twilight football game ever to be played in this city was played at Union park Saturday evening when the West Virginia Business College eleven and the Northview Tigers battled forty minutes to a tie score, 0 to 0.

The game was replete with sensational plays and many forward passes were cleverly executed by each team. Line plunging was the main tactics of the Tigers while the business college boys who were lighter than their opponents trusted to forward passes and long end runs.

At several stages in the game it looked as if one or the other would score but when the ball was carried within ten yards of either goal line the team defending the goal braced and held its opponents scoreless.

The work of McMillan captain and quarterback on the business college team was the feature of the game as he ran his team in a masterfully way and time after time made end runs for ten, twenty and twenty-five yards. F. Daugneau, left end for the Tigers was the star performer of his team, his offensive and defensive work was the best seen here in many years.

The game was called at 5:30 at the close of the game between the Washington and Irving and Weston high school teams and was not finished until after 8 o'clock. In the final period of the game it was so dark that it was impossible for either team to use any long passes.

The same two teams will play another game in a week or two and a battle royal is expected.

WASHINGTON IRVING BOYS WHIP WESTON

In Game Staged at Union Park Saturday Afternoon by Score of 20 to 0.

The Washington Irving high school football eleven, composed of eleven young, inexperienced football players, many of them playing football for the first time this season, surprised the large crowd of fans, who were present at the game Saturday afternoon at Union Park, when it completely outplayed the Weston high school football team, which outweighed them at least fifteen pounds to the man and all seasoned football players, several years their seniors. The final score was Washington Irving, 20, Weston high, 0.

Showing the fighting spirit of a team of seasoned and veteran players and playing lightning football during the fifty-two minutes of play the local boys romped away with an easy victory. Cooper, the fast young quarterback of the local team played a brilliant game, running his team in faultless manner, making fast plays himself and guiding the entire team in a manner that surprised even the most ardent admirers. The work of Captain "Bix" Dawson, who was Cooper's working partner on the passes was also sensational. He made a number of long runs after receiving passes from Cooper and his long end runs also featured.

The Harrison family has had a representative on the local high school football teams for the last ten years and it was thought at the beginning of this season when Tom Harrison went to Wesleyan that he would not be represented this season, but "Cubby" Harrison, the youngest member of the family announced to his brothers that he was going to win a place on the eleven and by the game he played Saturday he showed that he meant what he said. Although only fifteen years old and weighing 125 pounds he played a steady game, making many gains by his line plunging. Carmella, at center for the local team displayed a lot of speed. The entire high school team played a great game and if it continues to play the kind of football that it played Saturday when the curtain is rung down this fall, it will have a good standing in the Monongahela Valley high school football league.

MAHAN'S KICKING WINS GAME FOR HARVARD

Successor to Charles Brickley Drop Kicks Three Field Goals in Virginia Game.

CAMBRIDGE, Mass., Oct. 16.—Captain Edward Mahan, of Harvard, proved himself a worthy successor to Captain Charles Brickley, the former football star, by personally defeating the University of Virginia today 9 to 0, by dropping three field goals, one of them from the forty-two-yard line.

The Virginians proved less formidable than was anticipated from their 10 to 0 defeat of Yale two weeks ago. They had little in the way of an offense which Harvard did not fathom in the first period, but their defense stiffened as it retreated, and twice threw back the crimson tide inside the five-yard line.

Both teams began raggedly. Harvard fumbling and offending while the Virginians were uncertain. Lineup and summary:
